**REQUEST TO CHANGE PETITIONER/APPLICANT IN
CPG MINOR AMENDMENT PETITION**

On August 18th, 2021, I, Paul M Roche, filed Petition 21-3061-PET to the Vermont Public Utilities Commission via the ePUC website.

On that application, I listed the Petitioner/ Applicant for the petition as “SunCommon, Inc.,” my employer, a solar and energy contractor. SunCommon is filing the petition on behalf of the project owner and CPG holder, **rb Technologies, LLC** .

We request that the Petition Applicant be changed to **rb Technologies, LLC** , the holder of the CPG in question (CPG Case#: 21-1054-NM).

Thank You,
