Re: Case No. 19-0855-RULE, Proposed revisions to Vermont Public Utility Commission Rule 5.100

Dear Ms. Anderson,

In response to the Public Utility Commission's ("Commission's") July 27, 2021 Memorandum in this proceeding seeking comments on how the Net-Metering Rule could address transmission constraint issues within the Sheffield-Highgate Export Interface ("SHEI"), Burlington Electric Department ("BED") submits this letter to reference its previous comments submitted in Case No: 20-3304-PET, Petition of the Department of Public Service to open a proceeding to investigate a net-metering SHEI constraint mitigation grid adjustor. In that case, BED submitted comment letters dated as follows:

- December 11, 2020
- February 16, 2021
- March 5, 2021
- March 26, 2021

Thank you for the opportunity to provide comments. Should you have any questions or concerns, please feel free to contact us at any time.

Sincerely,

A handwritten signature in black ink, appearing to read "Amber Widmayer".
