Re: PUC Case 21-3883-RULE
Proposed creation of Vermont Public Utility Commission Rule Concerning Energy Storage

Dear Ms. Anderson:

The Commission has asked for comments on the request by the Department of Public Service for a one-month extension of the deadline for comments on the issues posed by the Commission in its Order Opening Rulemaking. VEC supports the Department's request. Some of the topics posed are complex and novel. VEC believes that additional time will allow for more thoughtful responses.

Very truly yours,
