**Re: Case No. 21-2939-NMP - Petition of Randolph Davis Solar LLC
Petitioner's Proposed Schedule & Revised Site Plan, Exh. RDS MS-2**

Dear Ms. Anderson:

In advance of today's scheduling conference, the Petitioner provides a proposed case schedule. This schedule was provided previously to the parties and has been revised to accept input provided from adjacent landowners, Mr. Binder and Ms. Allen.

In addition, and based upon feedback provided from Mr. Binder and Ms. Allen, Petitioner is submitting a revised Project Site Plan (Exh. RDS MS-2 (revised 2-9-22)) that demonstrates that the solar panels will be arranged within the current LOD on slopes less than 25%.

Thank you for your attention to this matter.

Cordially yours,

PAUL FRANK + COLLINS P.C.

Kimberly K. Hayden
