Order entered: 05/10/2022

PROCEDURAL ORDER OPENING COMPLIANCE SUBCASE

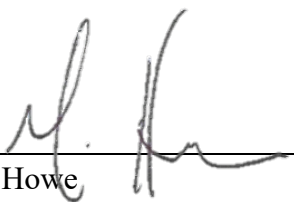

This case involves a petition filed with the Vermont Public Utility Commission (“Commission”) by Pear Networks LLC, doing business as Kingdom Fiber (“Kingdom Fiber” or “Petitioner”), seeking designation as an eligible telecommunications carrier (“ETC”) in Vermont for the purpose of receiving federal funding as a successful bidder in the Rural Digital Opportunity Fund (“RDOF”) Phase I Auction (“Auction 904”). The Commission granted Kingdom Fiber’s petition for designation as an ETC on August 23, 2021.

On May 3, 2022, the Federal Communications Commission granted Kingdom Fiber’s request for a waiver of the ETC documentation deadline and announced that it was ready to authorize Kingdom Fiber’s RDOF support.

The Commission has opened a compliance subcase in this proceeding. All future compliance filings required by the Commission’s August 23, 2021, designation order should be filed in the compliance subcase.

SO ORDERED.

Dated at Montpelier, Vermont, this 10th day of May, 2022.
