Affidavit of Martha Staskus Re Site Plan

1. My name is Martha Staskus. I am the Chief Development Officer at Norwich Technologies, Inc., aka Norwich Solar, which has an office at 15 Railroad Row, Suite 101, White River Junction, Vermont 05001.
2. I have prepared and sponsored Prefiled Testimony and Exhibits on behalf of the Petitioner in this proceeding.
3. On April 4, 2022, the Hearing Officer issued an Order Re Additional Information on Slope and Tree Clearing that instructed the Petitioner to file a site plan showing slopes greater than 25% within the limit of disturbance ("LOD").
4. On April 19, 2022, Petitioner filed Exhibit RDS MS-2B, a revised version of the Site Plan (Exhibit RDS MS-2), in response to the information request showing additional slope layers outside of the area of the array; and on June 24, 2022 filed with Petitioner's rebuttal testimony, a modified Site Plan, Exhibit RDS MS-2 (rev. 6/17/22) showing the same slopes layers as shown on Exhibit RDS MS-2B.
5. It has come to Petitioner's attention, and due to inadvertence, Exhibit RDS MS-2B did not include all areas of slopes greater than 25% within the LOD. With this affidavit, Petitioner is filing a revised Site Plan, Exhibit RDS MS-2 (rev. 7/13/22), that shows all areas of slopes greater than 25% within the Project LOD.

On this 13th day of July, 2022, I, Martha Staskus, do hereby swear and affirm that the information provided herein is true and accurate to the best of my knowledge and that I have personal knowledge of, and am able to testify as to the validity of the information contained herein. I declare that the above statements are true and accurate to the best of my knowledge and belief. I understand that if the above statements are false, I may be subject to sanctions by the Commission pursuant to 30 V.S.A. § 30.
