**DEPARTMENT OF PUBLIC SERVICE CLARIFICATION REGARDING THE
NOTICE OF THE CITY OF BURLINGTON ELECTRIC DEPARTMENT FOR
ITS NET-METERING TARIFF FILINGS**

On September 23, 2022, the Vermont Department of Public Service (“Department”) submitted¹ a redline of BED’s customer notice and represented that it had contacted BED. The Department writes to clarify that it had yet to receive a response from BED at that time and that the redlined notice was merely a proposal. The Department will work with BED to craft a revised notice and plans to file a jointly agreed to customer notice on Friday, September 30, 2022.

Thank you for your consideration, please do not hesitate to contact me with questions or concerns.

Dated in Montpelier, Vermont on this 27th day of September 2022.

Sincerely,
