MEMO TO: Micah Howe
Vermont Public Utility Commission
112 State Street
Montpelier VT 05620-2701

FROM: Charlene Dindo, Committee Assistant
Legislative Committee on Administrative Rules

DATE: September 27, 2022

SUBJECT: 22-P13 - Vermont Public Utility Commission/Rule 4.600 Definition of Electric
Transition Facility in 30 V.S.A. § 248

This will acknowledge receipt of the above-mentioned final proposal on September 22, 2022. The rule is tentatively scheduled for review at the committee's **October 20, 2022** meeting. You will receive a meeting agenda confirming the date, time and location of the meeting within a week before the meeting.

Agencies/departments occasionally find it necessary to produce additional written materials or they receive additional public testimony after filing the final proposed rule with the Legislative Committee on Administrative Rules. This is especially true of rules, which are controversial in nature. In these cases, the committee has established a policy requiring the agency/department to submit one electronic copy of the additional material or testimony to me within a time frame that allows committee members adequate time to review the material before the meeting.

If you have additional material or testimony to submit for the committee's review, please submit one electronic copy no later than 12:00 p.m. on **Tuesday, October 18, 2022** to:
charlene@leg.state.vt.us. Thank you.
