Re: 21-0861-RULE - Proposed revisions to Vermont Public Utility Commission Rule 5.400

Date: May 4, 2023

On May 4, 2023, the Vermont Public Utility Commission (“Commission”) submitted paperwork to the Interagency Committee on Administrative Rules to initiate a rulemaking to revise Commission Rule 5.400, Petitions to Construct Electric and Gas Facilities Pursuant to 30 V.S.A. § 248.

After the Interagency Committee on Administrative Rules completes its review, the proposed rule will be filed with the Vermont Secretary of State. At that time, a formal notice of the rule will be published, and a public comment period will be established. The Commission will provide more information about this rulemaking once it is available.

More information about the rulemaking, including the text of the proposed rule and a copy of the Commission’s filing, is available in the Commission’s file management system, ePUC, in case number 21-0861-RULE at <https://epuc.vermont.gov/>.
