**VERMONT DEPARTMENT OF PUBLIC SERVICE'S MOTION
TO RESCHEDULE HEARING**

On May 30, 2023, the Vermont Public Utility Commission issued an Order in the above-captioned matter setting a date of June 29, 2023, for a limited hearing. Unfortunately, the Department has a conflict: the undersigned is set to appear on the same date at a hearing before the Legislative Committee on Administrative Rules (LCAR) and does not have an opportunity to reschedule. For this reason, the Department respectfully requests that the Commission reschedule the hearing in this matter.

The Department has conferred with counsel for the Vermont Agency of Natural Resources and Allco Renewable Energy Limited, and understands that they do not object. Based on the parties' availability, suggested alternative hearing dates include July 19–21, or the week of July 24, 2023.

Dated at Montpelier, Vermont this 7th day of June 2023.

Respectfully submitted,

VERMONT DEPARTMENT OF PUBLIC SERVICE
