Case No. 23-1870-PET

Petition of City of Burlington Electric Department to transfer Thermal Energy & Process Fuel funds for use in its District Energy System support program	
--	--

Order entered: 06/09/2023

PROCEDURAL ORDER

On June 2, 2023, the City of Burlington Electric Department (“BED”) filed a petition with the Vermont Public Utility Commission (“Commission”) pursuant to Section III.3 of BED’s Order of Appointment requesting approval of an intra-program transfer of \$500,000 from funds budgeted for BED’s traditional thermal-energy-and-process-fuels (“TEPF”) programs to its District Energy System (“DES”) support program. Both budget categories were approved in BED’s 2021-2023 Demand Resource Plan.¹ BED states that additional design and engineering work is needed prior to finalizing the design and routing of the DES project, and that BED has spent all funds previously approved for the DES project. BED references guidance for transfer requests and provides details as it relates to Section III.3.E of its Energy Efficiency Utility Order of Appointment.²

The Commission requests comments on BED’s petition and proposals for any further process by July 3, 2023. In addition to comments addressing whether to approve BED’s transfer request, the Commission seeks comment on whether it should waive the 60-day advance notice requirement.

SO ORDERED.
