Re: EEU-2016-03 – DPS Request for Extension of Time to Comment on Conservation Law
Foundation Motion to Alter and Amend.

Dear Ms. Whitney:

The Department of Public Service (“Department”) requests a one week extension on the 11/30/16 deadline established by the Board for responses to the Motion to Alter and Amend filed by Conservation Law Foundation. The Department sent an email to the electronic service list for this matter on 11/28/16 asking if anyone objected to a proposed 7-day extension until 12/7/16 for responses to the motion. Replies to this email indicating no objection were sent by Conservation Law Foundation, Vermont Gas Systems Inc., Burlington Electric Department, Vermont Energy Investment Corporation, and Michael Wickenden, a private citizen. No entity or individual responded opposing the extension. Given the lack of any objection, the brevity of this extension request, and the fact this additional week extension will cause no delay in this proceeding; the Department requests that it be granted.

Thank you for your consideration and please do not hesitate to contact us with any questions.

Jeanne Elias
Special Counsel
