PUBLIC UTILITY COMMISSION

Case No. 23-1870-PET

Petition of City of Burlington Electric Department to transfer Thermal Energy & Process Fuel funds for use in its District Energy System support program	
--	--

**DEPARTMENT OF PUBLIC SERVICE REQUEST FOR EXTENSION OF TIME**

On August 1, 2023, the Public Utility Commission (“Commission”) issued a Procedural Order directing Burlington Electric Department (“BED”) to file a response to requests for additional information contained in the Department of Public Service’s July 3, 2023 comments in this proceeding. BED filed its response on August 11, 2023. The Commission’s August 1<sup>st</sup> Procedural Order further requested that the Department file any additional comments or request for further process by August 21, 2023.

By this filing, the Department respectfully requests an extension of one week to file its response to BED’s August 11<sup>th</sup> filing. The Department requests this extension because it has identified the need for additional time to complete internal discussions in order to develop its recommendation to the Commission.

Thank you for your consideration of this request.

Dated at Montpelier, Vermont this 17th day of August, 2023.
