

STATE OF VERMONT  
PUBLIC UTILITY COMMISSION

Case No. 21-3883-RULE

---

Proposed creation of Vermont Public Utility Commission Rule Concerning Energy Storage	
--	--

---

Order entered: 05/28/2024

**ORDER EXTENDING COMMENT DEADLINE**

On May 21, 2024, the Vermont Public Utility Commission (“Commission”) issued an order in this proceeding seeking comments on a first draft of an energy storage rule. That order established June 14, 2024, as the deadline for filing comments on the draft rule.

On May 28, 2024, the Vermont Department of Public Service (“Department”) filed a request for an extension of the June 14 comment deadline until July 12, 2024. According to the Department, its staff faces significant existing commitments through early June, including the need to prepare for and participate in other pending Commission matters with hearings scheduled for the week of June 11. The Department states that the additional time will allow it to devote appropriate resources to review and provide comments on the draft rule.

Based on the Department’s representations, its request is granted. The deadline for filing comments on the first draft of the energy storage rule is extended until July 12, 2024.

**SO ORDERED.**

Dated at Montpelier, Vermont, this 28th day of May, 2024.
