Proposed Biogas Plant for Lyndonville/St.J area

Message

Madam/Sir,

Please do not allow the developers of this facility (above) to obtain a 30 day expedited permit process.

There are simply too many issues/information to carefully consider in such a short time span.

Many, many of my neighbors and others in this area are concerned.

Thank you for this and for all that you do to help keep VT a great state.

Sincerely,

Jim Minichiello
