ORDER CLOSING CASE

This case concerns a petition filed by Bell Atlantic Mobile Systems of Allentown, Inc. and Cellco Partnership (“Petitioners”) with the Vermont Public Utility Commission (“Commission”) for a certificate of public good (“CPG”).

In today’s Order, we dismiss the petition and close the case.

On January 24, 2024, the Town of Manchester filed a notice of intervention and a recommendation with the Commission.

On February 23, 2024, a memorandum requesting that the Petitioners respond to the Town’s recommendation by March 8, 2024, was issued.

On March 13, 2024, an order granting the Petitioners’ request to extend the deadline for filing a response to the Town’s recommendation until May 7, 2024, was issued.

On May 9, 2024, an order granting the Petitioners’ request to further extend the deadline for filing a response to the Town’s recommendation until September 4, 2024, was issued.

No response to the Town’s recommendation has been filed with the Commission.

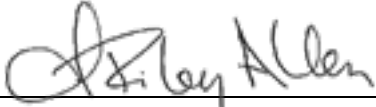

On September 17, 2024, an order requesting that the Petitioners show cause, by September 27, 2024, as to why the case should not be dismissed was issued.

No response to the order to show cause has been filed with the Commission.

The Petitioners have failed to comply with the request to show cause. Therefore, the Petition is dismissed without prejudice, this case is closed and all pending motions are moot.

SO ORDERED.
