Re: PUC Case No. 24-1898-PET

Dear Clerk Anderson:

Essex A North Lot Solar, LLC (Petitioner) has today filed its Proposal for Decision and Certificate of Public Good and the Prefiled Testimony and Exhibit List for the Project. No contested issues remain in the case given the memorandum of understanding with the Agency of Natural Resources, and the comments submitted by the Department of Public Service and Agency of Agricultural, Food, and Markets (AAFM). The Petitioner has no objections to the CPG conditions recommended by the Department and AAFM in their comments. For these reasons, no party will request a hearing and the remaining dates of the Scheduling Order issued on August 19, 2024 are no longer necessary other than the Petitioner's filing of the PFD and CPG.

Thank you for your attention to this matter. If you have any questions or require any further information, please do not hesitate to contact me.

Sincerely,

Joslyn Wilschek
