VPPSA Response to PUC Workshop Order Request for Written Summary Case No. 24-3023-INV

The Vermont Public Power Supply Authority (“VPPSA”) and its member utilities¹ appreciate the opportunity to provide comments in response to the Vermont Public Utility Commission’s (“PUC” or “Commission”) request regarding the 2024 Electric Vehicle (EV) and Electric Vehicle Supply Equipment (EVSE) Legislative Report due in January 2025.

On December 10, 2024, the Commission ordered a notice of workshop on these topics and requested that a written summary be filed following the workshop.

Please find the VPPSA member responses to each of the Commission’s questions on the attached table.

¹ VPPSA Member Utilities include Barton Village; Village of Enosburg Falls; Hardwick Electric Department; Village of Jacksonville; Village of Johnson; Ludlow Electric Light Department; Lyndon Electric Department; Morrisville Water & Light; Northfield Electric Department; Village of Orleans; and Swanton Village.

VPPSA appreciates the Commission's request for information regarding the Vermont utilities' service upgrade practices related to the installation of electric vehicle supply equipment. If you have any additional questions or seek further clarification, please do not hesitate to contact VPPSA.

Respectfully,

A handwritten signature in black ink that reads "Kenneth A. Nolan". The signature is written in a cursive style and is positioned above the typed name and contact information.

Kenneth Nolan, VPPSA General Manager
