

STATE OF VERMONT  
PUBLIC UTILITY COMMISSION

Case No. 24-3359-INV

|  |  |
|--|--|
| Investigation of the standard-offer contract between Vermont Renewable Gas, LLC and the Standard Offer Facilitator |  |
|--|--|

Order entered: 01/08/2025

**ORDER EXTENDING SCHEDULE**

This case concerns an investigation, pursuant to 30 V.S.A. §§ 209(a)(8) and 8005a(b)-(d), to review an executed contract between Vermont Renewable Gas, LLC (“VRG”) and the Standard Offer Facilitator for a 2.2 MW electric generation facility in Lyndon, Vermont (the proposed “Facility”).

In a December 13, 2024, Order, the Vermont Public Utility Commission (“Commission”) established a schedule for the proceeding.

On January 6, 2025, VRG filed a motion to change the schedule. VRG proposes to change the deadline for briefs on the Facility’s eligibility under the Standard Offer Program from January 9, 2025 to January 23, 2025; and change the deadline for reply briefs from January 23, 2025 to February 6, 2025.

VRG states that the enlargement of time is requested due to the complex nature of the legal issues presented, and to accommodate the holiday vacation schedules. VRG represents that the Vermont Public Service Department, Vermont Agency of Agriculture Food and Markets, and the Vermont Agency of Natural Resources support its motion.

I adopt the proposed schedule extension. The deadline for briefs on the Facility’s eligibility under the Standard Offer Program is January 23, 2025; and the deadline for reply briefs is February 6, 2025.

**SO ORDERED.**

Dated at Montpelier, Vermont, this 8th day of January, 2025.
