Hello, I am emailing you to object to the rate increase that the Hardwick Electric Department wants to implement in the amount of 13.24%! This is regarding case no. 25-0729-TF town of Hardwick Electric/tariff 13.24% rate increase. I am a customer of the Hardwick Electric department & their rates are insane compared to other electric departments. I pay a huge electric bill every month & cannot possibly pay more than I'm already paying! Besides our power goes out a lot & sometimes it's out for many hours! Not acceptable! Please do not approve this rate increase! Thank you for your time.

Sincerely,

Valerie Mason
