Certificate of Public Good pursuant to 30	)	
V.S.A. § 248, authorizing the installation and	)	Case No. 25-0895-PET
operation of a 4.95 MW solar electric	)	
generation facility off Dunsmore Road in the	)	
Town of St. Albans, Vermont	)	

**PETITIONER'S STATEMENT OF COMPLIANCE WITH PUC RULE 5.407
REGARDING PETITION NOTICE REQUIREMENTS**

On May 8, 2025, the Public Utility Commission (“Commission” or “PUC”) issued a memorandum finding ER Dunsmore, LLC’s (“DRS”) petition administratively complete. DRS certifies that in accordance with PUC Rule 5.407(A) and the Commission’s memo, copies of the petition were provided by email to the St. Albans Selectboard and Planning Commission and the Northwest Regional Planning Commission on May 12, 2025¹. DRS also certifies that in accordance with PUC Rule 5.407(B), all specified entities and adjoining landowners whose properties are adjacent to the parcel of land upon which the Project will be located, as identified in the Adjoining Landowner List filed with the petition, have been provided notice of the petition via first-class mail sent on May 12, 2025.

I declare that the above statement is true and accurate to the best of my knowledge and belief. I understand that if the above statement is false, I may be subject to sanctions by the Commission for contempt.

Dated at Burlington, Vermont, this 13th day of May, 2025.
