

STATE OF VERMONT
PUBLIC UTILITY COMMISSION

Case No. 24-3460-INV

Public Utility Commission investigation into thermal energy exchange networks pursuant to Act 142 of 2024	
---	--

Order entered: 06/16/2025

ORDER GRANTING SECOND EXTENSION OF COMMENT DEADLINE

On April 23, 2025, I issued information requests regarding the Vermont Public Utility Commission’s (“Commission”) investigation to inform its thermal energy exchange network report required by Section 17 of Act 142.¹ I requested that participants provide responses to the information requests by May 19, 2025.

On May 6, 2025, I granted an extension of the response deadline to June 16, 2025.

On June 12, 2025, the Department of Public Service (“Department”) filed a motion requesting that the deadline for responses be extended until June 30, 2025, due to the scope of questions asked in the information request as well as recent changes to the federal funding landscape.

Commission Rule 2.207(C) provides the standard for seeking an extension of a Commission deadline. The Department’s request was timely filed and provides good cause for granting the extension. The request is granted. Participants are requested to provide responsive information to the April 23, 2025, information requests by June 30, 2025.

SO ORDERED.

¹ Public Act No. 142 (2024 Vt., Adj. Sess.) (“Act 142”).

Dated at Montpelier, Vermont, this 16th day of June, 2025.
