

STATE OF VERMONT  
PUBLIC UTILITY COMMISSION

Case No. 24-3335-INV

---

2025 filing of updates to Energy Efficiency Utility Triennial Plans for 2024-2026	
--	--

---

Order entered: 07/08/2025

**PROCEDURAL ORDER GRANTING EXTENSION**

This case concerns the energy efficiency utility's ("EEU") triennial plans for the 2024-2026 Demand Resources Plan ("DRP"). Triennial plans are submitted to the Vermont Public Utility Commission ("Commission") before the start of each three-year performance period based on the budgets and savings goals established in the DRP.

On June 20, 2025, the City of Burlington ("BED") filed an update to its triennial plan in the form of a letter titled "Planned Use of Surplus Thermal Energy and Process Fuels ("TEPF") funds."

On June 25, 2025, I issued a procedural order requesting comments on BED's update to its triennial plan.

On June 26, 2025, the Department of Public Service ("Department") filed a request for a two-week extension of the comment deadline due to several staff being out of the office.

Commission Rule 2.207(C) provides the standard for seeking an extension of a Commission deadline. The Department's request was timely filed and provides good cause for granting the extension. The Department's request is granted, and the new comment deadline is July 29, 2025.

**SO ORDERED.**

Dated at Montpelier, Vermont, this 8th day of July, 2025.

Thomas Knauer  
Hearing Officer

OFFICE OF THE CLERK

Filed: July 8, 2025

Attest:   
Clerk of the Commission

*Notice to Readers: This decision is subject to revision of technical errors. Readers are requested to notify the Clerk of the Commission (by e-mail, telephone, or in writing) of any apparent errors, in order that any necessary corrections may be made.
