and operation of a 20 MW solar electric	)	
generation facility in Fair Haven, Vermont	)	

Petitioner Fair Haven Solar’s Motion to Amend Schedule

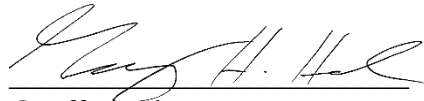

On March 10, 2025, the Vermont Public Utility Commission (“Commission”) issued a Scheduling Order in the above referenced proceeding. Petitioner VT Real Estate Holdings 2 LLC (“Fair Haven Solar”) respectfully requests an extension of time to allow Fair Haven Solar to continue stipulation discussions. Fair Haven Solar is in the process of discussing stipulations with the Agency of Natural Resources (“ANR”) and the Agency of Agriculture, Food and Markets (“AAFM”). Due to summer vacation schedules, additional time beyond the current deadline of July 16, 2025 is required to continue these discussions, and to prepare and file stipulations if agreement is reached.

Therefore, in order to provide additional time to reach potential agreements with ANR and AAFM, Fair Haven Solar requests to amend the current schedule as follows:

Event	Deadline
Comment Deadline for Other Parties and Stipulation(s) and associated testimony/exhibits (if any Settlements are reached).	8/1/2025
<i>If Matter is Not Contested by Any Party:</i>	
Petitioner files Proposed Findings of Fact, Order & CPG	9/5/2025
<i>If Matter is Contested:</i>	
All Parties file proposed schedule for remainder of litigation	8/13/2025

Prior to filing with the Commission, Fair Haven Solar provided the proposed schedule to parties who have entered an appearance in the matter. ANR, AAFM, and the Department of Public Service each informed Fair Haven Solar that they concur with the proposed schedule and authorized the undersigned counsel to represent their position. As of the time of this filing counsel has not heard back from Mr. Bischoff.

Dated at Burlington, Vermont, this 11th day of July, 2025.
