Case No. 21-0018-PET

Petition of Starlink Services, LLC for designation as an Eligible Telecommunications Carrier for purposes of receiving rural digital opportunities fund support	
---	--

Order entered: 07/17/2025

ORDER CLOSING CASE

On May 3, 2021, the Vermont Public Utility Commission (“Commission”) issued an order designating Starlink Services, LLC (“Starlink”) as an eligible telecommunications carrier (“ETC”) in Vermont for the purpose of receiving funding from the Rural Digital Opportunity Fund. In that same order, the Commission required Starlink to file certain compliance filings in this case.¹

On December 13, 2024, the Commission issued an order in Case No. 24-1452-PET granting Starlink’s petition to revoke its certificate of public good to provide telecommunications services and terminate its designation as an ETC in Vermont.²

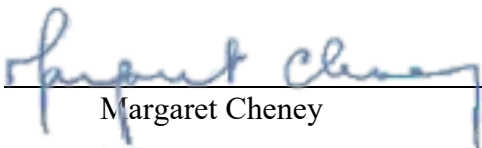

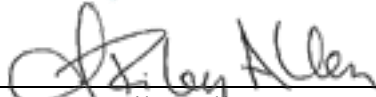

Because Starlink’s designation as an ETC has been terminated, Starlink is no longer required to file compliance filings in this case. Therefore, this case is closed.

SO ORDERED.

¹ Order of 5/3/21 at order paragraph 4.

² *Petition of Starlink Services, LLC requesting to revoke CPG #21-0815-TELCOCPG and designation as an Eligible Telecommunications Carrier in #21-0018-PET*, Case No. 24-1452-PET, Order of 12/13/24.

Dated at Montpelier, Vermont, this 17th day of July, 2025.
