Order entered: 07/22/2025

ORDER RE MOTION TO INTERVENE AND REQUEST FOR COMMENT

This case concerns a petition filed by Rising Tide Towers II LLC and Wireless Partners FN, LLC (“Petitioners”) with the Vermont Public Utility Commission (“Commission”) for a certificate of public good for a wireless telecommunications facility in Pownal, Vermont (the “Project”)

On April 21, 2025, I issued an order granting Tanya and Jesse Hart’s motion to intervene in this case. I also noted that the Town of Pownal had filed a notice of intervention as of right in the proceeding.

On July 16, 2025, the Harts filed a second motion to intervene in response to an amendment to the Project proposed by the Petitioners.

On July 21, 2025, the Petitioners filed a motion to further amend the Project.

With respect to the Harts’ second motion to intervene, I conclude that the motion is unnecessary. The Harts intervention was previously granted, and the Petitioners’ proposed amendment does not in any way change the Harts party status. Therefore, the Harts second motion is moot and both the Harts and the Town of Pownal remain parties to the case.

In addition, because the Petitioners have now filed a motion to further amend the Project, I request that the parties, including the Town of Pownal and the Harts, file a response to the motion on or before August 8, 2025. In the responses to the motion, I request that the parties also identify any concerns with the further amended Project and whether they request a hearing on the further amended Project.

SO ORDERED.

Dated at Montpelier, Vermont, this 22nd day of July, 2025.
