07/21/2025	Hall, Mitchell [PUBCOM]	I am writing to strongly oppose Green Mountain Power's request for a 7.35% rate increase as outlined in Case No. 25-1069-TF. This proposed increase is excessive, out of step with Vermont's current economic conditions, and inconsistent with the public interest that the Vermont Public Utility Commission is charged with protecting. SEE ATTACHED EMAIL.
