Re: T-Mobile Northeast, LLC/248a-1298 Machia Road

The Northwest Regional Planning Commission (NRPC) Project Review Committee has reviewed the 60-day notice for the Section 248a application from T-Mobile Northeast, LLC/248a-1298 Machia Road for installation of wireless telecommunications equipment on a farm silo.

The project is a co-location of new telecommunications infrastructure on an existing farm silo. It is a policy of the Regional Plan that "Consolidation of new telecommunications facilities on existing sites is preferred over the development of new sites" (Economic Region-Infrastructure Goal 3, Policy E).

Based on the information found in the 60-day notice, the NRPC Project Review Committee has found that the project conforms with the Northwest Regional Plan.

Sincerely,

Emily Klofft
