VERMONT DEPARTMENT OF PUBLIC SERVICE
RESPONSE TO HART REQUEST FOR
EVIDENTIARY HEARING, DISCOVERY, AND BALLOON FLOAT

On September 4, 2025, Tanya Hart filed a Request for Evidentiary Hearing with the Vermont Public Utility Commission (“Commission”). The request asserts that there are “material facts in dispute” and requests discovery and an additional balloon float. The Vermont Department of Public Service (“Department”) does not oppose the request for a hearing. However, pending resolution of live motions for intervention, the Department is of the opinion that there is sufficient evidence in the record for the Commission to make a determination as to whether it is appropriate to grant the requested certificate of public good.

Dated at Montpelier, Vermont this 18th Day of September 2025.
