**State of Vermont
Public Utility Commission
MEMORANDUM**

To: Participants in Case No. 25-0443-INV

From: Jake Marren, Esq. *JM*

Re: October 14, 2025, Workshop and Survey

Date: October 7, 2025

In response to public comments requesting an opportunity to provide additional input, on **October 14, 2025, at 7:00 PM**, the Vermont Public Utility Commission will be holding an online workshop to hear from members of the public who are eligible to receive assistance with their energy costs as well as people who work with or on behalf of Vermonters with low and moderate income. The purpose of this workshop is to gather input for the Commission's report to the legislature on energy burden pursuant to [Act 142 of 2024](#). Members of the public are encouraged to share their thoughts about:

- The best ways to provide assistance to consumers who need help with their energy bills and costs;
- Challenges with accessing assistance;
- Positive or negative experiences with current assistance programs; and
- Anything else related to energy burden.

Please share this information with any member of the public that you believe would be interested in contributing. The workshop will be conducted using Microsoft Teams. Members of the public may attend the workshop by clicking [here](#). Any questions about the workshop can be directed to the Commission at 802-828-2358 or by sending an email to Jake.Marren@vermont.gov.

In addition to the workshop, there are other ways for members of the public that are eligible to receive assistance with their energy costs to share their thoughts with the Commission. The Commission has developed [a short survey](#) to help gather input about programs to address energy burden. The survey should take about five to ten minutes to complete. The Commission appreciates any assistance you can provide to help members of the public complete the survey.

In addition to the survey, members of the public may share their input by sending [a message to the Commission.](#)
