1 **Introduction**

2 Q1. Please state your name, occupation and business address.

3A1. My name is Brent Gannon. I am employed by Smart Link Group LLC, a company
4 which is contracted by T-Mobile Northeast, LLC (“TMO”) to assist with the provision of
5 FCC – licensed Wireless services within the state of Vermont expanding and improving
6 TMO’s commercial mobile radio services network. I am responsible for site development
7 and upgrades for commercial wireless projects. My resume is attached as TMO Ex. 11.

9 **Project Narrative and Exhibits**

10 Q2 What is the purpose of your testimony?

11 A2 The purpose of my testimony is to introduce a Project Narrative and several
12 Accompanying exhibits to provide the PUC with a description of the proposed
13 wireless telecommunications facility that is the subject of the. The project
14 Narrative provided as Exhibit TMO # 9 together with accompanying exhibits,
15 contain the specific information and supporting documents required by the
16 Order Adopting Revised Standards and Procedures Implementing
17 30 VSA § 248a dated January 18, 2023
18 (the “Procedures Order”).

19 In the Project Narrative, the general objectives associated with the
20 proposed Facility are described and demonstrate that it is consistent with the
21 public good as set forth in Section 202c(b) of Title 30. It also demonstrates
22 compliance with the 248a criteria, as further defined by the Procedures Order,
23 including the reasons that the Facility (1) will not have an undue adverse effect on
24 floodways, aesthetics, historic sites, rare and irreplaceable natural areas,
25 endangered species, and necessary wildlife habitat (i.e., the 248a(c)(1) criteria for
26 projects of limited size and scope); (2) is consistent with the municipal and

27 regional plans under Section 248a(c)(2); and (3) is consistent with the general
28 public good under Section 248a(a).

29 Q3 Will the proposed project satisfy the objectives and criteria of 30 V.S.A. § 248a?

30 A3 Yes, I believe the collocated Facility will satisfy the objects and the criteria of the
31 statute as stated in the Project Narrative. It will improve T-Mobile's
32 wireless service in Sheldon and the surrounding area in a manner that is
33 consistent with the municipal and regional plans. It is designed to increase the
34 capacity and speed of telephone service and broadband internet access provided
35 through use of wireless devices.

36 Q4 Does this conclude your pre-filed testimony?

37 A4 Yes, it does.

DECLARATION

I declare that the above statement is true and accurate to the best of my knowledge and belief. I understand that if the above statement is false, I may be subject to sanctions by the Commission pursuant to 30 V.S.A. § 30.
