

**State of Vermont
Public Utility Commission**

MEMORANDUM

To: Vermont Electric Power Company, Inc. and Vermont Transco LLC
From: Elizabeth Schilling, Esq., Reviewer 
Re: 25-2590-PET – Notice of Complete Petition
Date: October 27, 2025

On October 21, 2025, the Vermont Public Utility Commission (“Commission”) received your petition to amend the certificate of public good issued in Docket No. 4905, as amended in Docket No. 4905-A, to authorize increasing the operating capacity of the interconnection-line portion of the Highgate Transmission Facilities from 225 MW to 250 MW.

Commission staff have determined that your petition is administratively complete. **Your case number is 25-2590-PET.**

With the exception of those state agencies that will receive notice of and access to your petition via ePUC, within 2 business days of this memorandum you must provide: (1) a copy of your petition pursuant to 30 V.S.A. § 248(a)(4)(C) and (j)(2) and Commission Rule 5.407(A) to all entities and persons entitled to receive such copies, and (2) notice of your petition as required by Commission Rule 5.407(B) and (C).

You must provide the case number when you provide copies and notice of the petition, as well as information on how members of the public may participate in this case. The notice must include, at a minimum, the case number if the case is filed in ePUC, a general description of the type and approximate location of the facilities and upgrades proposed, a statement that a complete petition has been filed with the Commission and that the case has been opened, and information and a link that will allow the recipient to access the complete petition electronically. The notice must also include instructions on how a recipient can contact the petitioner to obtain a hard copy of the complete project plans and petition if the recipient is not able to access them electronically. The notice must request comments by December 1, 2025 on the question of whether the petition raises a significant issue with respect to the substantive criteria of this section. The notice must include the following links to documents on the Commission’s website:

- For information on public participation through public comment or intervention:
 - <http://puc.vermont.gov/document/public-participation-and-intervention-proceedings-public-utility-commission>
 - <http://puc.vermont.gov/document/section-248j-procedures>

Please understand that acceptance of your petition does not constitute a determination on the merits of the petition. You may be required to provide additional information at a future date if necessary.
