Re: Case No. 25-0948-PET – Petition of Green Mountain Power for investment in its customer-driven Energy Storage System program pursuant to the tariffed new initiative provision of the multi-year regulation plan

Dear Ms. Anderson:

Green Mountain Power (“GMP”) writes to respectfully ask for a status update on the above proceeding. For background, on August 4, 2025, the Department of Public Service (“DPS”) filed comments and a recommendation on GMP’s Petition, and GMP responded August 7, 2025, supporting DPS’s recommendation. GMP is seeking an update on the Commission’s review, or a Commission Order on this matter.

Please reach out to me if I can be of assistance or if you have any questions.

Sincerely,

Geoffrey H. Hand, Esq.
