**Motion to Change Schedule and Request for Site Visit and Public Hearing**

The Town of Lowell, represented by Jennifer Blay, *pro se*, requests a site visit and public hearing with *Motions to Intervene due one week after the site visit*.

The current schedule sets the deadline for Motions to Intervene for Nov. 7. However, the Town has become aware that there is very little public awareness of this project, which has high visibility for a large area of the Town. The agricultural, environmental, and financial impacts need to be understood by the public before proceeding, The request to have Motions to Intervene deadline one week after a site visit is consistent with the PUC’s past practices. (*see Case No. 17-5024, March 21, 2018 scheduling order*).

The Town requests a Site Visit and Public Hearing.

Respectfully submitted this 5<sup>th</sup> day of November, 2025 on behalf of the Town of Lowell,
