<u>The Rule 2.209 Criteria</u>	
<p><u>Intervention as of Right by Statute or Commission Rule</u> (This is uncommon; leave blank if not applicable to your situation.)</p> <p>Please identify any statute or Commission rule that you think gives you a legal right to be a party in the case.</p>	
<p><u>Intervention as of Right without Statute or Commission Rule</u></p> <p>Please identify the interest you have that must be decided in this proceeding and explain (a) why a decision in this proceeding will impair your ability to protect that interest, and (b) why another existing party to the case does not adequately represent that interest.</p>	<p>I'm applying as President of the governing board of the Lowell Cemetery Association which manages Mountain View Cemetery. The proposed project will be in clear view of much of the cemetery so we are concerned about the scale of the proposed solar installation and its impact on the cemetery. We believe the Association is in a unique position to best represent the interests of the cemetery.</p>

<p><u>Permissive Intervention by Statute or Commission Rule</u></p> <p>Please identify any statute or Commission rule that you believe gives you a conditional right to intervene in this proceeding, and explain why you believe the conditions have been met. Please also explain why your participation as a party will not unnecessarily delay this proceeding or otherwise unduly prejudice the interests of existing parties.</p>	
<p><u>Permissive Intervention without Statute or Commission Rule</u></p> <p>Please identify the interest you have that must be decided in this proceeding and explain why your participation as a party will not unnecessarily delay this proceeding or otherwise unduly prejudice the interests of existing parties.</p>	<p>A primary asset of Mountain View Cemetery is its scenic beauty and views. We are concerned that the project may damage that asset, thereby negatively impact existing lot owners and visitors to our cemetery, as well as adversely affect future lot sales, which provide income for ongoing maintenance of the cemetery. Due to the sensitive and special nature of Mountain View Cemetery we request that the Commission ensure the project is right-sized for its location and shielded to minimize impact on neighbors.</p>
