

**STATE OF VERMONT
PUBLIC UTILITY COMMISSION**

Petition of Vermont Transco LLC and Vermont Electric Power Company, Inc., pursuant to 30 V.S.A. § 248(j), to amend the certificate of public good issued in Docket No. 4905, as amended in Docket No. 4905-A	Case No. 25-2590-PET

MOTION TO APPROVE THE PROTECTIVE AGREEMENT

Vermont Electric Power Company, Inc. and Vermont Transco LLC (collectively “VELCO”) move the Vermont Public Utility Commission (the “Commission”) to approve the Protective Agreement executed between VELCO and the Vermont Department of Public Service (the “Department”) to facilitate exchange of confidential and Critical Energy Infrastructure Information (“CEII”) in this proceeding. The Protective Agreement and a proposed Protective Order are submitted with this Motion.

VELCO’s Petition in this proceeding is supported in part by confidential information that contains CEII as defined by the Federal Energy Regulatory Commission. The Petition was accompanied by a motion requesting that such information be protected from public disclosure because disclosure could cause cognizable harm to VELCO’s electric system assets. VELCO acknowledges that the Commission has not yet ruled on the motion for confidential treatment, but this Protective Agreement is necessary to set the terms for sharing and protecting the information if confidentiality is granted.

The Department requires access to this confidential and CEII information to evaluate VELCO’s Petition pursuant to its statutory responsibilities under 30 V.S.A. § 2. It is also possible that VELCO will be asked to produce additional confidential and/or CEII information during this proceeding. Approval of the Protective Agreement will facilitate the timely and orderly provision of confidential and/or CEII information with the Department and other parties

agreeing to be bound by the Protective Agreement, while maintaining the confidentiality of the materials.

WHEREFORE, VELCO respectfully requests the Commission approve the Protective Agreement provided herewith.
