Case No. 25-2607-INV

Investigation into the City of Burlington Electric Department's operations and management practices	
---	--

Order entered: 11/18/2025

PROCEDURAL ORDER EXTENDING COMMENT DEADLINE

This case involves an investigation into the City of Burlington Electric Department's ("BED") operations and management practices in response to recent regulatory errors, inconsistencies, and shortfalls in BED's engagement with the Vermont Public Utility Commission ("Commission").

On October 22, 2025, the Commission issued an order opening this investigation. The order set a November 19, 2025, deadline for the Vermont Department of Public Service ("Department") to file a proposed business process audit request for proposal ("RFP"). The order also allows for parties to file comments in response to the proposed RFP within 14 days of the Department's filing.

The Thanksgiving holiday will fall within the comment period under the current schedule. As a result, the Commission extends the deadline for parties to file comments in response to the Department's proposed RFP to December 12, 2025.

SO ORDERED.

Dated at Montpelier, Vermont, this 18th day of November, 2025.
