10/24/2025	jacobs, daniel [PUBCOM]	I'm concerned about the proposed 4.5% BED rate increase. With the cost of living already straining many Burlington households and businesses, even modest utility hikes can have real impacts. While rising costs may be unavoidable, ratepayers deserve full transparency and accountability—especially given past administrative errors. I support the PUC's investigation and urge a thorough, fair review.	Filed
