11/06/2025	Cote, Kristal [PUBCOM]	This was a very sneaky project that should not take place. This should have been brought to a town wide cote. Your attempting to allow an operation in an area that is not zoned for such and is only zoned for agriculture. If an individual was to attempt to not follow zoning rules the states head would spin around so fast and they would be slapped with fines. This is absurd and will only be met with pissed off tax payers! I will be looking into the laws surrounding this issue	Filed
