11/06/2025	Warner, Kevin W [PUBCOM]	I strongly oppose the proposed Solar project in Lowell. It makes absolutely no sense to destroy 30 acres of prime farmland to erect an eyesore for the sole purpose of a tax break for some huge corporation. This will be of no benefit to the town of Lowell or the state of Vermont as the power will be sent out of state. This is just another green energy scam.	Filed
