11/07/2025	Rising, Mary [PUBCOM]	I grew up in Lowell and now own part of our family farm in Lowell. I am a non resident property tax payer. I am TOTALLY against the proposed 30 acre, 15,000 solar panel project n Lowell. I fully support the Lowell Board of Selectmen who DO NOT approve of this . The State of Vermont's pursuit of this type of "renewable energy" is very misguided .	Filed
