11/10/2025	Larose, Adeline [PUBCOM]	I do not want the solar farm in our town. It is a waste of valuable land, when so many farmers are already facing hay shortages. There is no reason to put an ugly solar farm on beautiful land. Put the solar panels on the roof of the town clerk and school. Put panels over the parking lots. Do not put them on our beautiful VT land.	Filed
