Order entered: 11/24/2025

PROCEDURAL ORDER RE: DISCOVERY ATTACHMENTS

On June 16, 2025, the City of Burlington Electric Department (“BED”) filed a petition with the Vermont Public Utility Commission (“Commission”) requesting approval of a rate increase of 4.5% to be effective with service rendered on or after August 1, 2025, for bills rendered on and after September 1, 2025.

On October 13, 2025, I directed BED to file all past discovery narrative responses and non-confidential attachments in ePUC as soon as practicable, but no later than October 17, 2025. I also directed BED and the Department to file any such future discovery items in ePUC.

On October 14, 2025, BED filed discovery narrative responses in ePUC. BED sent discovery attachments to the Clerk of the Commission on a disc via mail.

Commission Rule 2.230(R)(3) states: “If the Commission directs that discovery responses be filed with the Commission, the narrative responses must be filed in ePUC. Attachments must be filed in an electronic format outside of ePUC such as on a CD.” I waive Commission Rule 2.230(R)(3) and request BED and the Department of Public Service file these and any future discovery attachments in this proceeding in ePUC. If there are specific limitations to filing individual attachments, such as the file size being too large, then they may be filed outside of ePUC consistent with Rule 2.230(R)(3).

I request BED file all discovery attachments in ePUC as soon as practicable, but no later than December 2, 2025.

SO ORDERED.

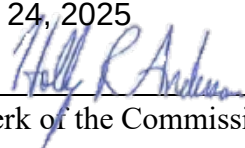

Dated at Montpelier, Vermont, this 24th day of November, 2025.
