STIPULATED PROPOSED AMENDED SCHEDULING ORDER

NOW COMES Petitioner and with the consent and stipulation of the Town of Manchester and Department of Public Service file this proposed schedule for the remainder of this matter. Though all parties agreed to the previous Scheduling Order, entered by this Commission on April 24, 2025, an amendment is now requested to accommodate the parties’ competing needs and interests.

On October 23, 2025 the Town of Manchester withdrew the Pre-filed Testimony of Daniel Weinheimer and all associated exhibits. It intends to rely on the language of the Town Plan. As such, the parties believe that the is likely not a dispute of material fact requiring a hearing and the matter may be resolved through the submission of Rule 2.219 Motions for Summary Judgment. Accordingly, the parties propose that following briefing schedule be adopted:

1. Petitioner shall file a Motion for Summary Judgment on or before December 15, 2025.
2. The Town of Manchester and the Department of Public Service shall file an Opposition and Cross-Motion should they so desire by January 15, 2025.
3. Petitioner shall file a Reply and Opposition to any Cross Motion by February 1, 2025.
4. The Town and the Department of Public Service shall file any replies thereto by February 15, 2025.
