**RESPONSE OF THE VERMONT DEPARTMENT OF PUBLIC SERVICE RE
THE MOTION TO INTERVENE OF
THE VERMONT DIVISION FOR HISTORIC PRESERVATION**

On November 25, 2025, the Vermont Division for Historic Preservation (“DHP”) moved to permissively intervene in this proceeding under Commission Rule 2.209(B). Rule 2.209(B) provides that the Commission may grant a timely motion to intervene when the law affords a party “a conditional right to intervene, or . . . when an applicant’s claimed interest shares a question of law or fact in common with the matters that must be resolved in the proceeding.” DHP asserts that its participation here will not unduly delay or prejudice the proceeding and that it is the Vermont State agency tasked with addressing impacts on historic sites under Section 106 of the National Historic Preservation act and 30 V.S.A. § 248(b)(5). The Department of Public Service (“Department”) supports DHP’s motion to intervene and defers to its expertise in reviewing whether the Project will have an undue adverse effect on historic sites under 30 V.S.A. § 248(b).
