Re: **Case No. 25-3051-AN – Novus Buck Solar LLC**
Cover Letter re Revised Certificate of Service

Dear Ms. Anderson,

Novus Buck Solar LLC (“NBS”) writes to inform the Commission that it is concurrently filing a revised Certificate of Service in the above captioned proceeding. As noted in the Statement of Compliance with Advance Notice Requirements filed with the Advance Notice materials on December 10, 2025, NBS received confirmation from the Newport Town Clerk regarding the accuracy of the adjoining landowner information on December 10, 2025. NBS therefore complied with the requirements of Rule 5.402(b). However, the Town Lister has since sent NBS revised ownership information for one adjoining parcel to the Project parcel. In light of this updated adjoiner information, NBS mailed a copy of the Advance Notice materials to the new adjoiner on December 23rd, 2025, and has revised the Certificate of Service to include the updated information.

Please do not hesitate to reach out if you have any questions.

Sincerely,

Victoria M. Westgate, Esq.
