**Re: Case No. 25-3076-AN – Vergennes VT BESS 1 LLC
Cover Letter re Revised Certificate of Service**

Dear Ms. Anderson,

Vergennes VT BESS 1 LLC (“Vergennes BESS”) writes to inform the Commission that it is concurrently filing a revised Certificate of Service in the above captioned proceeding. As noted in the Statement of Compliance with Advance Notice Requirements filed with the Advance Notice materials on December 16, 2025, Vergennes BESS verified with the Vergennes City Clerk’s Office that the Vergennes municipal parcel viewer provided accurate and current information regarding parcel ownership on December 1, 2025, and Vergennes BESS used the Vergennes parcel viewer to identify adjoining landowners. Vergennes BESS therefore complied with the requirements of Rule 5.402(b). However, Vergennes BESS and the City of Vergennes have been notified by Carrie Hathaway, an owner of one of the adjoining parcels, that the ownership information reflected on the Vergennes parcel viewer was incorrect. As a result, the Hathaways were not included on the mailing list for the 45-day letter. Vergennes BESS confirmed with the City of Vergennes that this was a system error, and that the Hathaways are the owners of the adjoining parcel. Vergennes BESS has since mailed a 45-day notice to the Hathaways on December 31, 2025, and has revised the Certificate of Service to include the corrected adjoining landowner information.

Please do not hesitate to reach out if you have any questions.

Sincerely,

Victoria M. Westgate, Esq.
