DISCOVERY CERTIFICATE

This document has been filed ePUC

I, Anthony Iarrapino, counsel for Petitioner Williston G Katie Lane Solar, LLC certify that on January 7, 2026, I served a copy of Petitioner's Responses to the First Set of Information Requests from the Agency of Natural Resources along with the declaration of the responding individuals, by e-mail to all parties. With consent of counsel for the Agency of Natural Resources, Petitioner served these responses one day after the date set for responses in the scheduling order in this case. The additional time to response was necessary for Petitioner to obtain responsive information from a third party thereby enabling more comprehensive responses and avoiding the need for supplemental responses.

A copy of this certificate and the responding individuals' declarations was filed electronically via ePUC.

DATED January 7, 2026 at Montpelier, Vermont.
