**ORDER CLOSING CASE**

The Vermont Public Utility Commission (“Commission”) opened this case to contain orders and memoranda issued in response to the COVID-19 pandemic. Stakeholders were able to subscribe to this case in ePUC to receive automatic notifications of any future orders issued by the Commission related to changes to its operations due to the pandemic.

The state of emergency caused by the pandemic ended years ago and the Commission has not issued any orders or memoranda related to the pandemic for some time. Accordingly, there is no longer a need to keep this case open, and it is closed.
