

**STATE OF VERMONT  
PUBLIC UTILITY COMMISSION**

---

Petition of Northland Solar LLC for a certificate of public good, pursuant to 30 V.S.A. § 248, authorizing the installation and operation of a 4.999 MW solar electric generation facility in Lowell, Vermont

---

Case No. 25-2346-PET

The Town of Lowell concurs with the dates proposed by the Department for the first six events scheduled to occur, but requests that the Commission issue a full litigation schedule, through hearing date, as follows:

Dates for six events as listed on Department's proposed schedule, to which the Town concurs:

- Second Round Discovery on Petitioner January 9, 2026
- Petitioner response to second round discovery January 23, 2026
- Non-Petitioner testimony March 13, 2026
- Discovery on non-Petitioners March 27, 2026
- Non Petitioners respond to discovery April 10, 2026
- Petitioner's rebuttal testimony April 24, 2026

Additional event dates requested by the Town:

- Discovery on Petitioner's rebuttal testimony May 1, 2026
- Petitioner responds to discovery on rebuttal testimony by May 8, 2026
- All motions to strike or other prehearing motions by May 22, 2026
- All stipulations and exhibits, and responses to motions to strike, by May 29, 2026
- Evidentiary hearing, with live surrebuttal testimony if required, week of June 15, 2026 (likely 1 day, possibly 2 days--best to reserve 2 days). This week is being asked for so that school will be over and I as selectboard chair will be fully available and is only 2 weeks out from all stipulations and exhibits, and responses to motions to strike.

Signed and dated at Lowell, Vermont this 8th day of January 2026 on behalf of the Town of Lowell;
